Kakashi Hatake

Growth & Performance Marketing | Prop Trading Ecosystem

*India | 𝕏 @Kakashi_05_*

PROFESSIONAL SUMMARY

Growth operator with active affiliate partnerships across multiple prop firms, driving trader acquisition through organic content and conversion-focused positioning on 𝕏. Built a 5,200+ follower audience from the ground up, targeting funded account candidates and retail traders through education-led content. Understands the full acquisition funnel — from awareness to evaluation sign-up — and applies that lens to every partnership and campaign. Combines technical aptitude (B.E./B.Tech, Computer Science) with deep domain fluency in prop trading, risk frameworks, and trader psychology.

EXPERIENCE

Founder – Trading Content Platform · **Independent (𝕏)** *2023 – Present | Remote*

- Grown an audience of 5,200+ followers organically on 𝕏, positioned around prop trading, funded account evaluation, and trader development.
- Operates as an organic acquisition channel — consistently driving traffic and referral conversions for partnered prop firms
- Establishes trust with retail traders through transparent, education-driven content before introducing affiliate offers.
- Recognised as CreatorX Ambassador (@CXInc_SocialFi), representing the platform within the finance and trading creator community.

Brand Ambassador · **CreatorX (CX Inc. – SocialFi)** *2024 – Present | Remote*

- Execute referral-led onboarding campaigns targeting an engaged trading and finance audience, driving platform sign-ups.
- Bridge the SocialFi utility of the platform with the trading creator community, increasing qualified user activation.

Affiliate Partner · **Blue Guardian Futures** *2024 – Present | Remote*

- Drive trader acquisition through organic 𝕏 content, converting followers into funded account evaluations on a performance-based model.
- Revenue is directly tied to trader sign-ups and onboarding completion — aligned with performance-based marketing accountability.
- Craft content around evaluation rules, payout structures, and risk management to reduce friction and accelerate conversion decisions.
- Maintain brand-consistent messaging that positions Blue Guardian competitively within a crowded prop firm landscape.

Affiliate Partner · **Blue Guardian CFD Prop Firm** *2024 – Present | Remote*

- Promote funded account programs through targeted organic content addressing trader objections at each stage of the evaluation funnel.
- Develop campaign messaging grounded in prop trading psychology — focusing on risk tolerance, discipline, and payout credibility.
- Apply competitive positioning to differentiate firm offerings and improve conversion rates from audience to active sign-up.
